Dear Joe,

I am writing this letter to say thank you for providing excellent laundry service for Atlantic Coast Veterinary Specialists during our time of great need. This is one of those dirty not spoken of jobs performed every day and night at Veterinary Hospitals. Thank you for the local laundry service man who was always provided prompt friendly and respectful service. Keeping the service local is a win win approach to providing this service and giving back to the community. Working with a local laundry service was a pleasure. Not to mention how happy our employees were with having our laundry returned to us not only clean and folded but sanitized. Thank you once again for excellent service.

Sincerely,
Cathy Williams
